

“Partnering For Compliance™” East Coast 2012 Dinner

“Partnering For Compliance™” conference organizers have again asked the Holiday Inn Select-UCF Orlando to host an informal dinner (at individual participant expense) in their Cypress Room on Wednesday, February 22, 2012 at 6:30 p.m. This dinner is an informal way to meet other participants, participate in pleasant conversation, eat good food and meet the speakers who are available to attend. We particularly like to encourage attendees who may have traveled long distances, or who wish to ‘get-to-know’ other attendees to consider this dinner as an option. However, attendance at the dinner is voluntary.

Since the hotel has kindly offered to host the dinner again; and in an effort to facilitate it, we have agreed to collate all the details and forward the information to the hotel by COB Wednesday, February 15^h, 2012. Dinner reservations **will not** be accepted after this date. Children **may not** attend this event.

The price of the dinner, excluding cocktails/beverages/wine, (including tea/coffee/iced tea, tax and gratuity) is US\$30.00. This payment is completely separate from the conference fee and **must** be paid separately, and in advance, by credit card. Individual receipts will be available for pick-up by dinner registrants at the registration table in the Cypress Room of the hotel on the evening of the dinner. The hotel will confirm attendees against its list.

The dinner group will meet in the Cypress Room at 6:30 p.m. Seating is open and attendees are welcome to sit at any table of their choosing. We encourage you to stay awhile after the dinner to meet other participants.

If you wish to attend this dinner, which in the past has been a most pleasant addition to our program, we would need the following information, either electronically, by telephone or by fax to: email: Ailish@PartneringForCompliance.org; telephone: + 321-952-2978; fax: + 321-953-0234 by the COB Wednesday, February 15th, 2012 deadline. (Registrations for the dinner after this **will not** be accepted).
