

“Partnering For Compliance™” West Coast 2009 Dinner

“Partnering For Compliance™” West Coast conference organizers have asked the Hilton San Jose Hotel to host an informal dinner (at individual participant expense) Wednesday, August 12, 2009 at 6:30 p.m.. This dinner is an informal way to meet other participants, participate in pleasant conversation, eat good food and meet the speakers who are available to attend. We particularly like to encourage attendees who may have traveled long distances, or who wish to ‘get-to-know’ other attendees to consider this dinner as an option. However, attendance at the dinner is voluntary.

Since the hotel has kindly offered to host the dinner; and in an effort to facilitate them, we have agreed to collate all the details and forward the information to them by COB Tuesday, August 4, 2009. Dinner reservations **will not** be accepted after this date.

The price of the dinner, excluding cocktails/beverages/wine, (including tea/coffee/water, tax and gratuity) is US\$30.00. This payment is completely separate from the conference fee and **must** be paid separately, and in advance, by credit card. Individual receipts will be available for pick-up by dinner registrants on the registration table in the Cypress Room of the hotel on the evening of the dinner. The hotel will confirm attendees against its list.

The dinner group will meet in the hotel lounge at 6:30 p.m. Seating is open and attendees are welcome to sit at any table of their choosing.

If you wish to attend this dinner, which at our “Partnering for Compliance™” East Coast in the past has been a most pleasant addition to our program, we would need the following information, either electronically, by telephone or by fax to: email: Ailish@PartneringForCompliance.org; telephone: + 321-952-2978; fax: + 321-953-0234 by the COB Tuesday, August 4, 2009 deadline. (Registration for the dinner after this **will not** be accepted).
